Last Will and Testament

SENIOR CLASS 1965.

Dearlly beloved, we are gathered here together in the hallowed halls of Benjamin Franklin to pay our last respects to show gratitude and to leave what few possessions we have to the faculty and to those who will follow in our footsteps.

To Mr. Sabin we're thankful to you
For inspiring speeches and wisdom, too;
For trying to guide us along the right track,
But next year we hope we won't be coming back.
To Mr. Norton upon this fine day
We leave a red and white beret
And a pound and a half of liverwurst
To help make dear old Franklin first
To Mr. MacConnell, our dean sublime,
We leave a large bottle of bufferine.
To Mr. Cohen it would be a great boon
If he had a PA to keep in his room.
And to Miss Martens now we say
We shall miss you, come what may.
For dear Mrs. Saflund we have something, too.
We leave a starting block for you
We wish you good luck and even much more
With all of the dancers upon the floor.
Dancers, keep in your own places;
Remember to keep those open spaces.
Dear Mrs. Saflund and her yardstick new
Will be there also watching you.
To Dr. Kaplan, whom we leave behind
A copy of *Lovejoy's*, a college to find.
And when he finds it, let him tell all,
So we won't be working in the coal mines next fall.
Mrs. Johnson we'll make glad,
With notes of the meetings that we've had.
And to our adviser, Mr. Mousso,
Although we all hate to do so,
We leave lots of vanilla fudge
And perhaps some bribes for a future judge.
Mrs. Koch tra la la la la
La la la la la de la la
To Mr. Koch we're very sorry
We couldn't beg or even borrow
Anything to suit *your* taste
So we will end now very post haste.
To Mr. Iman a can of brass polish
TO SHINE THE BADGE AFFIXED TO HIS FRONT
BUMPER
Poor Mrs. Zona, she's in such a spin

For all of the books she has had sandwiched in
So we will leave her some real mayonnaise
In a great effort to help shake her daze.
And for Mr. Lomio, whom we all applaud,
We will make arrangements to send him a-broad
To Mr. Dagon, who has a fine spouse,
We'll leave him some levis to wear in the house.
And to Mrs. Dagon, who lives in the house,
We leave her some track shoes to kickout her spouse.
For Mrs. Smith we have a fine gag;
We leave background music for the pledge to the flag.
And Mr. Scamell will raise such a clamour
When he hears this song: "If I Had a Hammer".
Because Mr. Morehouse resented our cheers
We leave a recording of "Get out of here's."
To Mrs. Hoover, who goes by the book,
We leave her a page full of Gobbledygook.
Oh, Mr. Bukowski, he's such a fine feller
So we leave his poor wife a key to the celler.
To Miss Philippone since the weather's been damp
We leave some new costumes wrapped up in a stamp.
To Mr. McHugh, though it might be insane,
We leave soft-soled slippers and a big walking cane.
Oh, dear Mr. Gullo, may you never roam,
For come Halloween, we're invading your home
In costumes of season at your door we'll stand,
With a bottle of Seagram's Seven Crown in our hands.
And to Mr. Fellows, we leave ninty four
Illicit seniors, who worked in bookstore.
For dear Miss Fierro, we leave some "Grow Pup"
And we truly hope that in this world she'll rise up.
And to next year's Freshmen, whom we all adore,
We'll put bars on the windows and locks on the doors.
And to next year's Sophomores, a bunch of wise fools,
We leave them a Bible, to suck by the rules.
To next year's Juniors, we leave a fine debt,
So when we're through singing, they'll never forget.
And for the Seniors, we'll put up a fight,
So they can have dances with very dim lights.
And so dear Franklin, we must leave you now,
But when we pass you, we'll all take a bow.
S N., P F., M.S., L.K., C G., D.E

Dear Diane _____,

I'm so glad I got to
know you this year. (I'm sure
you've been up Mr. Ma's office
not that it's a really good club.)
It would be great if we
had the same free
year. In general, I
guess this year was a successful
year for you —
— you were T.O.
and you
also got to know some
Best wishes always
in all in. I wish
you had everything

Dear Diane,

If you can't find the book by all means
 leave my post box open till I see you
 then we'll talk.

Love you a lot and that's my hope
every day, and I'll be with you
every day and I'll be with you
will get you far!

Just, as I can tell, as you will
 you of course! The only one I
 can see (other than you) is that
 I can, with that other thing! But I can
 you are just (I mean) a what, as it

Well, if I get any more
together next year, I'll send you a card with
a bunch of pictures of the things I see
and have to have some pictures!

and all right again - and by John (1800)!

Dear Diane,

NEVER BEFORE HAS IT

BEEN SO NECESSARY TO KNOW

HOW TO GET A JOB!

Now comes the time of decision for your career ahead. It will probably be one of the most important decisions you will be called upon to make. Fortunately, you live in a land where freedom of choice and opportunity are almost unlimited.

Of course, anyone's "first job" is to get his basic education. Congratulations to you who get this job well done.

NOW, HOW ABOUT THE NEXT STEP?

Career opportunities in Rochester, with its many and diverse industries, commercial organizations and professions, should interest almost any student. Most Rochester companies are recognized for their high standards and advanced technology. It follows that standards for employment are high too — and a good education tops the list.

An employer knows what kind of people he is looking for. The student ready for a career should have an equally good idea of what he or she is looking for. Consulting with parents, counselors, friends, and with employers themselves will reveal what kind of positions are available in what kind of organizations.

Evaluating your abilities and appraising your readiness for the career of your choice is the key to your future. There is no door it cannot unlock—when the key fits!

To a real wonderful girl with a real sparkling personality, I express all the luck + happiness in the world. You're a very cute + sweet gal who deserves a lot! It's been a riot in French class + chem. (for a while, anyways!) class + I just know you'll succeed in all your endeavors always. Take good care + never change. May God Bless & protect ya, always,

Mike Flynn

Just in your lifetime

you have known great acts of violence—Korea, Hungary, Tibet, Viet Nam. And you have been aware of great acts of human kindness—the Marshall Plan, Berlin air lift, the Peace Corps.

There have been horrible inventions to kill man, like the hydrogen bomb. And marvelous inventions to save his life, like polio vaccine.

Man has flown higher and dived lower than ever before. He has traveled faster and farther.

All in your lifetime.

Advances have often been striking, and reversals tragic, but you had no part in them. You were only a spectator.

Now, you have a chance to play a responsible role in events of your generation—events that promise to overshadow anything that went before.

Unlike the modest opportunities of the past, yours will be limited only by two key factors.

One is education, the other resourcefulness—keys that together will enable you to unlock any combination, to plan, to weigh, to judge, to think.

Most of all to communicate.

Your school has tried to do its part. Now it's up to you. Growing organizations like Xerox, leaders in mankind's continuing search for better communications, are looking for educated talent—the more educated the better.

Through the science of xerography, we have made enormous strides during your lifetime. To continue, we will need educated, resourceful, imaginative people.

You, perhaps. Good luck, graduate!

(Reserved for Barbara Barker)

Hi Diane!

You can't imagine how glad I am that we've become such great friends this past year! you ~~are~~ ^{are} really very un-describable - ^{there's} only one really good word to describe you and that is great - I'm real glad you made cheerleading, you really deserve to make it after all the trouble you went through, namely getting stuck with "mono"! Oh, please don't think I'm mocking you because I'm not, only joking around as usual & goofing off!!

Thanks alot for all the great times we've had going uptown together, how would I ever have gotten a new wardrobe without you? I'm looking forward to going uptown with you often this summer, but mostly I'm looking forward to going down the beach everyday this summer!!

You're a real sweet person with a tremendous personality!! Really, I can't say much more about you because I think you know what I think of you by now!

This past year I guess we've both had our share of parties, especially you! I've been a riot going to so many dances etc & I'm looking forward to going to many more especially this summer!

Well, all I can say now is that I hope we're as good of friends next year ^{as} ^{forever} as we are this year! Have a great summer & keep in touch

Love, n' luck

Barb

and, we've lived through another year - and boy have we lived! We've laughed together, went to parties together, & even cried together. I'll never forget the Cambridge Trio & that Wednesday night. I guess that can be put under "experience"

As for the fun we've had - how about the play at B.K.? Poor Pat!! Or how about the Clover dance - dear Bruce - I should have told him you'd give him a ride. Imagine the results!! And our regular visits to dear old Kushi & his "romio" assistant - Dr. Kodesh. Those I must think we're both insane! Especially after you stuck those little round things (O) all over his office. I really miss you if I have to go there alone when you get your "adrenas" off. - But I guess Steve will keep me company - remember him?

I've enjoyed sharing my problems with you. But yours are always so interesting that I enjoy worrying about them with you - it's almost as exciting as "Payson Place" - one of my favorites shows. You give excellent advice too. I've tried it - & it works every time. Must be your intuition or something like that - maybe ESP.

To get a little corny, I really cherish our friendship. You're so much fun to be with - even if I feel depressed you can cheer me up. You're always doing something exciting and you're just bubbling with energy & spirit. You've got a wonderful, sparkling personality & I'm really glad we became such good friends this year. Oh well you luck with you-know-who but I'm sure you don't need it.

Keep using your ESP & sweet smile & you'll have the best always.

Love,
Paula

P.S. I'm dying for summer to come! Will have an absolute riot! Or - I'll be - I hope to see Stateline up for making a

ding! You're
make a
great
one!

Dear Diane
Welcome back!
I'm practically fallen
asleep in English these past
days. I've even answered some
questions and that's pretty cool. You're
missed some really surft poems in English
aren't you sad. I expect you to go home and
cry after summer period. Aren't we lucky we're get
Mr. Fraser for our Proctor in English. I'm waiting for me.
Shaver to either kick me out or tell me to put your yearbook
away. Mr Fraser is starting to sound like a broken record. Oh well,
lots of luck on your exams and also lots of luck with them.

Love you
Carol
Butler

P.S. Have a nice summer!

Diane,
We'll have fun together. But good things must end and
this year did. Well next year comin' and we'll be able to
with a personality to match. We had fun together
this year and I hope we can do it again
next. Best wishes in all your endeavors
cause you deserve all of it.
Well, I'll see you at beach
this summer and at school
next year.
Love + Luck
P.S. Best wishes,
many hugs,
Frank,
O.H.
